

Upgrade to Google One for
more storage

Get more space and extra benefits

Starting **1 June, 2021**, any
new photos and videos,
uploaded in Google
Photos will count toward
the free **15 GB** of storage,
that users purchase.

Every week 28 billion
new photos and
videos are uploaded
in **Google Photos**

“Important **INDUSTRY**
Update Regarding
Google Drive Storage”

HIRUN

G

Photos and videos
backed up before June 1,
2021 will still be considered
free and exempt from the
storage limit.
